

Jeb Bush  
Governor

John O. Agwunobi, M.D., M.B.A.  
Secretary

March 12, 2003

Mr. Skip Hoffman  
Changing Paradigms  
7786 Service Center Drive  
West Chester, Ohio 45069-2442

Dear Mr. Hoffman:

This letter is to acknowledge receipt of the information concerning the products "**Roto-Rooter Septic & Cesspool System Treatment® (liquid & powder)**" for statewide use in Florida. No product sold in the state for use in onsite sewage treatment and disposal systems may contain any substance in concentrations or amounts that would interfere with or prevent the successful operation of such system, or that would cause discharges from such systems to violate applicable water quality standards, section 381.0065(4)(m), Florida Statutes.

The staff has reviewed the information provided in the MSDS, 96-hr LC<sub>50</sub> toxicity test results, and laboratory results on volatile organic compounds for the product. The department has determined the products, "**Roto-Rooter Septic & Cesspool System Treatment® (liquid & powder)**," are in compliance with s. 381.0065(4)(m), F.S. and has no objection to the use of the product in accordance with manufacturer's specifications. Please be advised that all rules pertaining to the use of the products shall be observed and that there shall be no advertising of the products as state approved.

Be advised that the department is not a testing agency and that this determination reflects only a review of the information submitted by you for compliance with Florida Statutes and Florida Administrative Code. The product evaluation does not investigate the validity of performance claims by manufacturers. For this reason, departmental acceptance must not be interpreted as certifying effectiveness, endorsing or recommending use of an additive. The Florida Department of Health also does not assume liability for any promise, guarantee or expectation from purchasing or using an additive. The department reserves the right to withdraw acceptance if product formulation or ingredients are modified after product evaluation by the department or subsequently found not to be in compliance with rule.

This letter of product compliance is limited to Department of Health jurisdictional circumstances as defined in Chapter 64E-6, Florida Administrative Code and Chapter 381.0065, Florida Statutes.

If we may be of further assistance or should you have any additional questions regarding this letter, please call Dr. Sonia Cruz at (407) 317-7325.

Sincerely,

  
Gerald Briggs, Chief  
Bureau of Onsite Sewage Programs

Division of Environmental Health, Bureau of Onsite Sewage Programs

## ROTO-ROOTER® SEPTIC & CESSPOOL SYSTEM TREATMENT

### DIRECTIONS FOR USE

Place pouch in toilet. Wait until water soluble film starts to dissolve and then flush. With cold water, film will dissolve more slowly. If pouch does not totally flush, wait 30 seconds and flush again.

### SATISFACTION GUARANTEED

If you are not completely satisfied with the performance of Roto-Rooter Septic & Cesspool System Treatment, please send your store receipt with the cost circled to: Changing Paradigms Consumer Affairs, 7786 Service Center Drive, West Chester, Ohio 45069. A full refund will be provided. Other questions or comments about this product call toll-free 1-888-334-4890.

**CAUTION:** Contains highly concentrated enzymes and bacterial cultures. If pouch breaks, avoid contact with eyes, open cuts, or sores. Powder may cause slight allergic reaction to eyes, skin, and mucous membranes in certain individuals. Wash hands after each use. Do not reuse empty container. Contains no phosphorus.

**KEEP OUT OF REACH OF CHILDREN AND PETS.**
